How to find 'Casa Limon', our Diving Centre in Arinaga

Directions from South (Playa del Ingles, Maspalomas, Meloneras, Arguineguin, Puerto Rico, Anfi del mar, Arguineguine, Vecindario)

Take the motorway GC-1 North towards the airport. After passing the junction at km 28 for Vecindario and Pozo Izquierdo and the Atlantico Shopping centre (on the left), after 2km take the next exit (exit 26 at km 26) for **Arinaga** and Vecindario, next to the large office block for 'Meubles Atlantico Norte' on the right.

Immediately take the first slip-road to your right (signed to Arinaga), and at the end of this slip road merge right onto 'Canal Derecha' alongside the rainwater barranco, and follow this road straight towards the sea through the Freeport Zone for about one kilometer across one roundabout, then at the **second roundabout** follow the signs for **Playa del Arinaga** by turning **left** by the cement factory (Yesos Canarias) into calle Los Olivios.

Drive straight ahead for 300m across 2 small roundabouts, and then go up a slight slope to a third roundabout with a miniature lighthouse in the middle. Turn **right** here towards Arinaga and follow the main road (GC-100) into Arinaga.

At the next roundabout (with the white statue of a fisherman), you will see our sign on the left, in front of the **Shell Garage**. Turn **LEFT** here at the roundabout (calle Almirante).

Take the second **right** opposite our small sign into Calle Luis Velasco. Our new Dive Centre at *Casa Limon* is about 400 metres further along on the left, and you can see the signs and the lemon colour as you approach

Directions from North (Las Palmas, Airport)

In the airport follow signs for the south ("SUR"). After you leave, or pass the airport, continue for about 5 minutes southwards, ignore the next junction (Carrizal) and take the second junction, number 25, about 1 km after the Shell Petrol Station. It is signposted to **Arinaga**. This takes you onto a feeder lane, down to a mini-roundabout, carry straight across, and 200m later at a second roundabout **turn left**, follow the signs for Playa de Arinaga and go under the motorway. Go straight on for about 1.5km and you come to the roundabout with the lighthouse on top where you go straight ahead and then follow the directions above.

Some hints:

- Most side streets in Arinaga are one-way in an alternating grid
- If you come to the Airport from the South you have missed the junction!
- If you get lost in Arinaga ask for the Shell Garage (gasolinera) and start again down the main street
